As per Canadian Centre for Occupational Health and Safety, every material that is controlled by WHIMIS must have an accompanying MSDS that is specific to each individual product.

WASIP Ltd. Eyewash is not controlled by WHIMIS as none of the ingredients (raw materials) used in the Eyewash are hazardous.

The active ingredient of the Eyewash is 98.3% Purified Water which is non-hazardous.

Hence the requirement for MSDS does not apply to WASIP Ltd. Eyewash.

Should you require any further information about WASIP Ltd. Eyewash, please contact your customer service representative or send us an email at sales@wasip.com.

Consequently no MSDS will be created for WASIP Ltd. Eyewash.
